We are trying to replace the most treasured and missed
1 wish at a time

DEAR YOUTH WHO SURVIVED THE CAMP FIRE,

Our mission is to link youth aged 12-21 years, to donors who want to replace a beloved item lost in the Camp Fire. Make a wish for the specific item that will bring you joy & happiness, and we will do our best to find a donor. Simply fill out the on-line form and patiently wait.

With , from your community

Dear Community,

We all want to help but are unsure of how. Now that many of the basic needs are met, it is time to support happiness. Replacing beloved items will aid in healing.

For the specific wishes made by youth, visit www.campfirewish.com to see the wishes waiting to be granted and register to grant that unique wish to a specific youth!
