LIST OF WISHES

<https://www.facebook.com/campfirewish/>

A NOTE TO OUR DONORS:

Thank you for checking out the list and considering donating an item that will inspire and support happiness to our youth who are still rebuilding their lives after the Camp Fire. We all want to help, but those in need are not benefiting of the box full of our 'extra's. Getting back to normal means different things to each individual and these are the things that will help to bring back normal and happy to our Butte County youth.

Some items are costly and a donor can join with others to grant the WISH. Unifying your team, neighborhood, clubs, friends and work buddies to grant a WISH together is another idea for meeting big-WISHES. Doing this would be a rewarding community builder for spreading gratitude, unity and love.

Corporate Sponsorship: FYI: WISH has sent off letters to Xbox, Iphone and Dell for donations. If anyone has personal connections to those resources, please email Kristina Carter at WISH

We have a wish granter who would like to put \$60 towards this.... Would anyone like to add to it so this sweet wish can be granted? \$170 total

LIST OF WISHES

Why this is special: This wish is so beautifully written, so here are his words:” If there is one thing the Camp Fire took from me that hurt above all else, it was the friendships I lost. All the friends that have had to leave the county or even the state are reeling from the losses of their homes and ways of life, and yet some are too scared to reach out. One of my friends in particular has had a hard home life, alleviated only by the comfort and joy of her friends. If I were to get these two linked lamps, I would be able to send one to her, and let her know that even across the country there is someone thinking about her and caring about her with a wave of my hand. Even if she was feeling afraid or embarrassed to reach out, I could do just a little bit to make her feel a little less alone.”
